to

Dr. Daniel Ellsberg

(California, USA)

in acknowledgement of his lifework.

In 1971 Daniel Ellsberg has published secret information and thereby chosen truth and peace over his own professional success, thus risking serious punishment and sanctions. Afterwards, he has devoted his public life to the public enlightenment about weapons of mass destruction and the work of the peace movement.

The prize is presented to the laureate on the 21st of November 2003
in the embassy of the Hanseatic City of Hamburg in Berlin.
